

“Jacob the Artist” – Hidden Agendas

based on the novel THE GIFT by B.E. Howard

Plot: Jacob must come to terms with his new powers as one of ‘The Gifted’ in order to save his own life.

Genre: TV Series

Synopsis: A young man still learning of his new powers is sucked into the maelstrom that’s taking over the world. In an episodic spin-off of the book series The Gift, Jacob’s new life is interrupted when the new global conflict meets him for a drink one evening. Jacob is forced to come to terms with who he has become and must take his new powers to the next level in order to save his life.
