

“Tell the Devil Goodnight” – The Battle Within

Genre: Screenplay

Plot: Alternate personalities torture a schizophrenic street poet upon his return home from prison.

Synopsis: Edward did not know that the worst day of his life would begin the morning he returned home from prison. Everything about his hometown reminds the talented street poet of the youth that developed his three conflicting personalities and guided his criminal life. Which persona will deliver Edward to his fate: The streets smart dreamer, the protective bully, or will the devil inside of him finally claim his soul?
