

“Cut” – Famous Last Words

Plot: A first-time writer's first stab at writing a screenplay lands him in the middle of city-wide diamond heist.

Genre: Screenplay

Synopsis: What happens when a writer finds out about a diamond heist? He tells everyone in Los Angeles about it. What happens when all of LA knows about a diamond heist? Pandemonium. In “Cut”, misfortune leads to poor fortune as a recently fired banker stumbles across an interesting idea for a movie and throws his hat into the screenwriting arena. After shopping his story around town and discovering that getting a movie made is easier than everyone says, he learns the movie he wrote is a blueprint for stealing the largest diamond in the world. Now that everyone in town has a copy of his script, it's a rat race of who can get to the diamond first.
